O’Gorman High School Graduation 2021:

1. Message from Bishop Poitras to all the graduates:

Dear O’Gorman High School Graduates

You are completing a memorable stage in your lives: the end of high school!

You have grown up physically, intellectually, socially, and spiritually.

Let us give thanks to the Lord for all that you have received from your parents, your educators, and your friends.

Since 2020, the world has been affected by the pandemic and its effects in our daily life, even in the way you studied and the way you are celebrating your Graduation. Through this experience, we have become more aware that we are deeply dependent on each other. This is a lesson never to be forgotten!

As new stages are opening for you, I ask the Lord to accompany you:

May He bring light to your minds, in order to deepen your relationship with Jesus, who *is the way, the truth and the life*, and to find in Him the true meaning of your life!

May He keep your eyes open to the needs of your brothers Dear O’Gorman High School Graduates

and sisters here and all over the world: may you see them like Jesus would, with the compassionate gaze He sees all of us, being moved by their miseries and rejoicing in their good qualities!

May He pour His love into your hearts so that you may always be focused on God and on others, instead of being only selfishly centered on your own needs.

By your hands, your actions, may you bring your contribution to the true happiness of humanity! May the good virus of God's love invade you so that through you the world may become better!

+ Serge Poitras

Bishop of Timmins

2. Graduates who received the 2021 Diocese of Timmins Bursaries:

The graduates selected to receive the 2021 Diocese of Timmins Bursaries are **Marielle Balete** and **Jack Buhler**.

Marielle will be attending Northern College where she is enrolled in a Bachelor of Science in Nursing program. In the future, Marielle hopes to pursue additional studies to become a physician and provide health care in developing countries around the world.

Jack will be attending the University of Toronto where he is enrolled in a Bachelor of Applied Science in Engineering program. In the future, he hopes to become a professional engineer and make a significant and meaningful contribution to the development of technologies related to space and robotics.

On behalf of O'Gorman High School, thank you for offering bursaries to two very deserving graduates.

April 19, 2021

The Northeastern Catholic District School Board family is wishing you well and hoping you are safe and healthy during these unprecedented times. With this current school closure and move to virtual learning and stay at home orders taking place, our Catholic school board is living through unique times. All of our school communities and staff members are very busy supporting our students through virtual learning methods.

Catholic Education Week begins on Sunday, May 2, 2021. This year's Catholic Education Week theme - "Nurturing Hope" - is of course timely as efforts are made to address the impact of the current pandemic and students, families and staff work in virtual learning environments. Catholic Education Week will be very different this year, but we are asking our students and staff to live the CEW theme as best they can. Small acts of kindness and charity within families and assisting those in need around us, adhering to all social distancing guidelines, are the first steps to "Nurturing Hope" in our homes, neighbourhoods and school communities. Catholic Education Makes the Difference.

The CEW biblical quote is, *"Those who hope in the LORD will renew their strength."* (Isaiah 40:31)

The NCDSB family will continue to keep you and your parishioners in our prayers.

April 27, 2020

Good Afternoon,

The Northeastern Catholic District School Board family is wishing you well and hoping you are safe and healthy during these unprecedented times. With the school closure being extended until May 31st, our Catholic school board is living through unique times. All of our school communities and staff members are very busy supporting our students through distance education methods.

Catholic Education Week begins on Sunday, May 3, 2020. This year's Catholic Education Week theme - "Igniting Hope" - is of course timely as efforts are made to address the impact of the current pandemic and students, families and staff work to adjust to new learning environments. Catholic Education Week will be very different this year, but we are asking our students and staff to live the CEW theme as best they can. Small acts of kindness and charity within families and assisting those in need around us, adhering to all social distancing guidelines, are the first steps to "Igniting Hope" in our homes, neighbourhoods and school communities. Catholic Education Makes the Difference.

The CEW biblical quote is, *"May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the Holy Spirit."* Romans 15:13

The NCDSB family will continue to keep you and your parishioners in our prayers.
